THE “SHOW ME CITY”: **A GREAT PLACE TO LIVE, WORK AND PLAY**

Welcome to Missouri City, a vibrant Fort Bend County community known for its rich legacy of history, culture and tradition. The 61-year-old “Show Me City” is recognized as a family-friendly community with award-winning master-planned subdivisions, pristine parks and A+ amenities.

“SHOW ME” **SUCCESS...**

And, when it comes to success, Missouri City is proud of many stellar achievements, including being one of the safest cities in the nation, having a Texas “Recognized” law enforcement agency, receiving a “Scenic City” platinum seal of approval, earning designation as an All-America City Award Finalist and being the hometown of Crystle Stewart, who was Miss Texas USA and Miss USA in 2008. The municipality is also known for its fiscal fitness. For more than three decades, Missouri City has earned the Distinguished Budget Presentation Award from the Government Finance Officers Association of the United States and the Certificate of Achievement for Excellence in Financial Reporting for the Comprehensive Annual Financial Report.

Home to about 74,000 residents in 2017, Missouri City is situated just minutes from Houston with convenient access to the Galleria, the Texas Medical Center, two major airports, the Port of Houston, downtown Houston, the Toyota Center, Minute Maid Park, BBVA Compass Stadium and NRG Stadium.

Missouri City's business roots have evolved over the last 100 years from agriculture to commercial, light industrial, retail and corporate enterprises. Economic development thrives citywide and is highlighted by commercial growth in the northern sector of the city near the Sam Houston Tollway and US90A.

Lakeview Business Park, situated on 157 acres near the Sam Houston Parkway, U.S. Alternate 90 and the Fort Bend Parkway, provides companies a prime and strategic location. The property offers light industrial opportunity in a unique environment that features preserved mature trees, neighboring lakes and an adjacent, scenic 95-acre City park. Trammell Crow Company, one of the nation's leading developers, created this property on the site of the former Willowisp Country Club. The business center has attracted multiple national and international firms to the area.

All of this commercial growth offers retail and other business support and opportunities for major corridors such as Texas Parkway/Cartwright Road, Murphy Road, and Highway 6.

More Than **60 Years** of Success and Counting...

CREDO

Together, we excel!

CITY MANAGER ANTHONY J. SNIPES

"My challenge to you, as we begin this journey, is to march on. It may not happen in a day, it may not happen in a year, but we'll get there. But in order for us to get there we have to do it together, collectively, because together we excel. We are on a journey of excellence and we can't get there without you." - Anthony J. Snipes

Veteran municipal administrator Anthony J. Snipes is presently City Manager of Missouri City, Texas. Mr. Snipes' career spans more than 20 years and includes achievements in strategic initiatives that involve budgeting and performance management, public/private partnerships and organizational development. He has earned numerous accolades for inspiring his teams with clarity of purpose and leading them toward a shared view of collective goals.

He joined the "Show Me City" on Dec. 1, 2015 after being unanimously appointed by City Council Members to become the municipality's seventh Chief Administrative Officer. Mr. Snipes oversees about 354 full-time employees and a combined annual budget of more than \$105 million.

Before joining the 'Show Me City', Mr. Snipes was a municipal executive in different capacities for Dayton, Ohio; Fort Worth and Austin. In all three cities, he implemented proactive programs and led innovative initiatives that set a standard for excellence.

Utilizing his extensive experience, Mr. Snipes is steering a steady course of success in Missouri City, forging myriad partnerships, firmly building on the legacy of leadership that established the "Show Me City" as a community that is fiscally sound, safe and scenic. Just as he is committed to the community, Mr. Snipes is also a dedicated family man and says that his wife, Dr. Tracie Snipes, and their two children, keep him grounded.

He hails from Americus, Ga., which is also home to Habitat for Humanity's international headquarters, the historic Windsor Hotel, The Fuller Center for Housing. Americus is next door to Plains, Ga.; hometown of President Jimmy Carter.

Mr. Snipes earned a Bachelor's degree in Political Science and Sociology from Mercer University and a Master's degree in Public Administration from Florida State University

Mr. Snipes may be contacted by calling the City Hall main phone number: (281)403-8500 or by email at Anthony.snipes@missouricitytx.gov.

MUNICIPAL SOLID WASTE PROGRAM

Missouri City's 5-year-old Municipal Solid Waste Program entered into a new contract phase with WCA Waste Corp. on Jan. 1, 2016. Residential contract customers will pay a \$12.56 household base rate and will receive the following services:

- Solid Waste: Provided twice per week
- Curbside Recycling: Provided every-other-week
 - Recyclable materials do not include glass or pizza boxes. Both items may be disposed of in the blue solid waste container.
- Bulk Waste: Provided every-other-week
- Yard Waste: Provided weekly
- Curbside holiday tree pickup during the month of January
 - Trees will be picked up on Bulk collection days
- Service provided with environment-friendly CNG (compressed natural gas) trucks

New residents may call 281.403.5800 to request new trash containers and to get details about pickup days for your area. Each residential unit residing within the incorporated areas of Missouri City will receive (1) 95-gallon Blue Cart on wheels for solid waste and (1) 65-gallon Gray Cart on wheels for Recycle.

For yard waste to be collected, it should be stored in heavy-duty lawn and leaf refuse bags that are biodegradable, compostable and sturdy enough not to break when lifted; in a regular trash container or in the blue solid waste container. Yard waste should not be placed at the curb in regular solid waste bags; if that occurs, it will be removed as trash. Brush waste should be securely tied together, not exceeding four feet in length or 40 pounds in weight.

To ensure service, citizens are encouraged to set garbage and recyclable materials out by 7 a.m. Per City ordinance service will be provided between 7 a.m. and 7 p.m. In order to be serviced by the front-loading automatic WCA trucks, solid waste and recycling bins must be placed at the curb at least 5 feet apart from one other; the handles should face the homeowner's residence.

Assisted or valet service is available for disabled, elderly and infirmed residents; a doctor's signature and contact phone number is required to process each request. To sign up for the service, complete the request form included in this newsletter and fax it to WCA, visit the City website to access the request form, or contact WCA's dedicated Missouri City Customer Service center at 281.403.5800.

Residents who participate in the Municipal Solid Waste Program will receive regular trash pickup on the following holidays unless otherwise specified:

- | | |
|------------------------------|------------------|
| • Martin Luther King Jr. Day | • Labor Day |
| • Good Friday | • * Thanksgiving |
| • Memorial Day | • * Christmas |
| • Independence Day | • * New Year |

Visit www.missouricitytx.gov for more information.

MUNICIPAL SOLID WASTE PROGRAM

WCA provides Rear End Load service (excluding recycling), to the following communities:

- Camden Park (Adams Street)
- Bermuda Dunes Townhomes (Bermuda Dunes Street)
- Manors at Riverstone (Riverstone Boulevard)
- Meadowcreek Townhomes (North La Quinta Drive)
- Quail Valley Townhomes (La Quinta Drive and Cartwright Road)

Note: Please be advised that the above list is not comprehensive. If you are in doubt if you are billed through the City, please call 281.403.8500 for more information.

More details about the approved contract, including a comprehensive FAQ, are available on the City website; they may be viewed by clicking the "Solid Waste" image in the "QUICKLINKS" section.

CITY COUNCIL APPROVES STRATEGIC CODE ENFORCEMENT ORDINANCES

At their Monday, Nov. 7, 2016 Regular Meeting, Missouri City Council Members unanimously approved two ordinances related to Code Enforcement policies and procedures; the actions are aimed at assisting officers in the field and streamlining the violation reporting process.

The first ordinance gives Code Enforcement Officers the ability to wear body cameras and to issue a notice to appear in Missouri City Municipal Court to any person who violates a City ordinance. This notice will require recipients to appear on the date indicated, and recipients will be asked to provide personal identifiers such as name, address, date of birth and a driver's license. In the event an individual fails to appear in court, a warrant can be secured for his or her arrest.

The second ordinance establishes graduated minimum penalties for certain violations, such as high grass, building code violations, solid waste and recycling receptacle screening and junked vehicles. Approved violations are as follows:

- * Chapter 14 International Code violations (i.e. Building Code) and environmental nuisances (i.e. high grass) –
 - * A minimum fine of \$100 for a first conviction;
 - * \$250 for the second conviction;
 - * \$500 for three or more convictions.
- * Chapter 30 Junked Vehicles violation –
 - * A minimum fine of \$100 for a first conviction;
 - * \$125 for the second conviction;
 - * \$150 for three or more convictions.
- * Solid Waste Receptacle Placement (a recurring top code enforcement violation) –
 - * A minimum fine of \$50 for a first conviction;
 - * \$250 for the second conviction;
 - * \$500 for three or more convictions.

These ordinances were passed based on recommendations from the City Manager's Nuisance Abatement Team, which consists of members of Code Enforcement, the Police Department, Development Services, the City Manager's Office, the Legal Department and Communications. The committee, which began meeting regularly in August 2016, is charged with developing the philosophy, processes, communications and means to measure the outcomes and reporting out on code enforcement initiatives.

Houston Community College – Missouri City Campus

Missouri City is also home to Houston Community College's new Center for Entrepreneurship, Technology & Health. This relocated Missouri City Houston Community College campus, which is adjacent to the City Hall Complex, 1600 Texas Pkwy., represents an investment of more than \$40 million. The 30-acre project was done so that the educational institution would be more accessible to its student base and is a collaboration of the City, HCC, Fort Bend County,

The new HCC facility, which is slated to open for classes in the fall, has more than 67,089 high tech educational floor area space on two stories. The facility will hold a capacity of 2,000 - 3,000 part-time students.

For registration information, call (713) 718-2900.

In addition to the opening of the new HCC facility, Fort Bend County is also remodeling the Missouri City Branch Library. Precinct 2 Commissioner Grady Prestage's office has committed to a three-story expansion of the library, which will benefit future HCC students and the community at-large.

Fort Bend Independent School District

The Fort Bend Independent School District (FBISD) serves most of the student population in Missouri City. The district encompasses the incorporated cities of Missouri City, Sugar Land, Arcola, and Meadows Place, a small portion of Houston, and the communities of Clodine, De Walt, Rosharon, and Fresno.

FBISD hosts a seven member board of Trustees whose mission is to focus on the knowledge, skills, and character development of each of our students by providing policies, oversight, and support to ensure continued district growth and improvement.

MCCU, LEADERSHIP LUNCHEON

About Missouri City Citizens' University

To keep in line with community engagement and outreach initiatives, Missouri City invites residents to participate in an expanded Citizens' University. During the 10 session program, participants meet with City staff members to learn about the inner workings of Missouri City, go on field trips, take tours and view City projects in process.

The program was rolled out in 2013 as a way for residents to see how Missouri City operates and to allow them to share their input and feedback with City officials. It also provides an "inside look" into Missouri City government and an opportunity for residents to talk with Staff members who build budgets, construct capital projects, plan for growth, help our City remain green, emphasize fitness first and keep neighborhoods safe. And, City Staff has utilized this popular program as a way to connect with community members who want to branch out beyond being a leader in their individual neighborhoods and become more involved with City services and programs.

For more information on MCCU, visit the City's website www.missouricitytx.gov.

Take a Tour with Missouri City's Bravest

Missouri City Fire & Rescue Services operates from five conveniently located fire stations. Groups of citizens, students, cub scouts, brownies or other similar organizations may request to be given tours of the fire stations. Each group will be briefed on the responsibility of the station, its personnel and the assigned equipment. The tour information can be tailored to the group's specific needs or age.

Arrangements for tours and additional information is available by calling the Fire Department Headquarters at 281-403-4300, Monday through Friday.

All five stations may be found here:

The image shows a hand holding a smartphone displaying the MCTX Mobile app interface. The app has a green header with the Missouri City logo and a menu with options like Government, Calendar, Employment, Solid Waste, Follow Us, and How Do I... The background is a green field with a large, faint 'M' watermark.

The City has launched its new mobile application, “MCTX Mobile”, for smart phone, tablet and phablet devices. It allows “Show Me City” residents to have full access to the main website—www.missouricitytx.gov—and includes a sleek and easily navigable design. Missouri City residents can download this new app by searching for ‘MCTX Mobile’ in the Apple app store or on Google Play.
